MUSIC

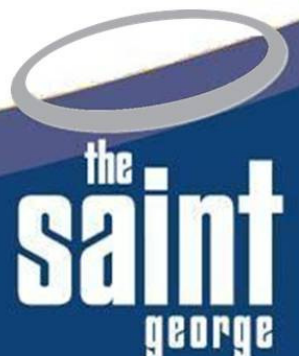

The Saint has an in-house music system with more than 6700 songs which is updated regularly and is played throughout the venue including our function rooms. Functions held in the upstairs Function Room are able to organise alternate music for their function if required. However, due to the open plan nature of the Saint, functions in all other areas are unable to have differing music from that of the venue. The volume of the music can be adjusted throughout the function to suit your specific needs, however on busy nights some residual noise is unavoidable.

Every week, from Friday through to Sunday, The Saint offers an eclectic mix of house, electro & funky beats, mixed by some of Perth's best DJ's. We are pleased to be able to offer you their music set playing in your function area at no extra cost.

BEVERAGES

Due to our commitment to the Responsible Service of Alcohol, The Saint does not offer discounted rates for beverages. Attached you will find our Beverage list that includes our range of handcrafted beers, bottled beers and wines. Should you require information regarding our spirits, liqueurs, or pre-mixed beverages please contact our Function Coordinator. All drinks are charged on a consumption basis with your choice of a bar tab or the option of a cash bar for guests to purchase their own drinks. We are also able to organise a tea and coffee service for your guests if required. We can set up a coffee & tea station which will be in your chosen room. This is priced at \$3.50 per person.
